

Handout 1 - Lyrics to “Funny” and “Fame”

Tori Kelly - “Funny”

It's so easy to lose all the meaning of who you are
What is your definition of a true superstar?
Is it beauty? Is it money? Is it power? Is it fame?
Are you in it for the glory? What's the purpose? What's the gain?

Everything you ever wanted got you tied up in chains
Be careful how you play the game

'Cause the same ones that chose you are the same ones that
own you,
Same thing that built you is the same thing that kills you
Same ones that praise you are the same ones that hate you

Funny how it all goes around.

If you lose your soul,
You'll lose it all
If you're at the top
Then brace for the fall
Surrounded by faces,
No one to call

If you look through a microscope at this messed-up world
You would see every scratch, every flaw, every ounce of dirt
Your so called friends you're leaning on but all they do is take
You say it's fine but deep inside you wish you could escape

Everything you ever wanted got you tied up in chains
Be careful how you play the game

[Live version verse:]

'Cause the same ones that shun you
Are the same ones that love you
The same words that break you
Are the same words that shape you
The same rules that blind you
Are the same rules that guide you

Handout 1 - Lyrics to "Funny" and "Fame"

David Bowie - "Fame"

Fame makes a man take things over
Fame lets him loose, hard to swallow
Fame puts you there where things are hollow (fame)
Fame, it's not your brain, it's just the flame
That burns your change to keep you insane (fame)
Fame, (fame) what you like is in the limo
Fame, (fame) what you get is no tomorrow
Fame, (fame) what you need you have to borrow
Fame, Fame, (fame) it's mine, it's mine, it's just his line
To bind your time, it drives you to crime (fame)
Is it any wonder I reject you first?
Fame, fame, fame, fame
Is it any wonder you are too cool to fool? (fame)
Fame, bully for you, chilly for me
Got to get a rain check on pain (fame)

Fame
Fame, fame, fame
Fame, fame, fame
Fame, fame, fame, fame
Fame, fame, fame, fame
Fame, fame, fame
Fame, what's your name?
Fame
