

Handout 2 - Songs Against Apartheid Questions

As a group, read the description of an artist and song that addressed apartheid in handout 2. Answer the below questions, and be prepared to share the answers in class.

1. How did the artist first learn about apartheid?
2. How do the lyrics in the song address apartheid?
3. What do you think function of the lyrics are? Are they to educate? To express the artist's feelings about apartheid? To scold South Africa?
4. How would you describe the music? Is it sorrowful, happy, or serious?
5. What kind of effect did the song have?
