## Questions

Use the information on page 1 to answer the following questions:

1. How many songs in total did the Grateful Dead perform over these four concerts?
2. What is the average number of songs the Grateful Dead performed each night? (Hint: average = total number of songs performed/number of concerts.)
3. How many unique songs did the Grateful Dead perform during these four concerts?
4. How many songs were performed only once during these 4 concerts? How many songs were played more than once?
