## Lyrics for Songs in This Lesson

### Station 1 -- Joni Mitchell, "Big Yellow Taxi" (1970)

*They took all the trees  
Put 'em in a tree museum  
And they charged all the people  
A dollar and a half just to see 'em...*

*Hey, farmer farmer  
Put away that DDT now  
Give me spots on my apples  
But leave me the birds and the bees*

*Don't it always seem to go  
That you don't know what you've got  
Till it's gone  
They paved paradise  
And put up a parking lot*

### Station 2 -- Neil Young, "After the Gold Rush" (1970)

*Well, I dreamed I saw the knights in armor coming  
Sayin' something about a queen  
There were peasants singin' and drummers drumming  
And the archer split the tree  
There was a fanfare blowin' to the sun  
That floated on the breeze  
Look at Mother Nature on the run in the 1970s*

**Station 3 -- James Taylor, "Carolina in My Mind" (1968)**

*In my mind I'm gone to Carolina  
Can't you see the sunshine?  
Can't you just feel the moonshine?  
Ain't it just like a friend of mine to hit me from behind  
Yes, I'm gone to Carolina in my mind*

*Dark and silent late last night, I think I might have heard the highway call  
Geese in flight and dogs that bite  
And signs that might be omens say I'm goin', goin'...  
I'm gone to Carolina in my mind  
Yes, I'm gone to Carolina in my mind*

**Station 4 -- Jackson Browne, "Before the Deluge" (1974)**

*Some of them were angry  
At the way the earth was abused  
By the men who learned how to forge her beauty into power  
And they struggled to protect her from them  
Only to be confused  
By the magnitude of her fury in the final hour  
And when the sand was gone and the time arrived  
In the naked dawn only a few survived  
And in attempts to understand a thing so simple and so huge  
Believed that they were meant to live after the deluge*
