

Excerpt from Black Sabbath, "War Pigs" (1970)

By Tommy Iommi, Ozzy Osbourne, Geezer Butler, and Bill Ward

Generals gathered in their masses
Just like witches at black masses
In the fields the bodies burning
As the war machine keeps turning
Evil minds that plot destruction
Sorcerers of death's construction
Death and hatred to mankind
Poisoning their brainwashed minds
Oh lord yeah!

Time will tell on their power minds
Making war just for fun
Treating people just like pawns in chess
Wait 'til their judgment day comes
