

## **“Life is Beautiful” Lyrics**

*Written by ‘Keb ‘Mo and Colin Linden*

Let’s go driftin’ through the trees  
Let’s go sailing on the sea  
Let’s go dancing on the juke-joint floor  
And leave our troubles all behind, have a party

So easily forgotten, are the most important things  
Like the melody and the moonlight in your eyes  
And a song that lasts forever  
Each song getting better all the time

Life is beautiful, life is wonderous  
Every star above shining just for us  
Life is beautiful, on a stormy night  
Somewhere in the world the sun is shining bright

I get crazy, so afraid  
That I might lose you some fine day  
And I’ll be nothing but a tired old man  
And I don’t wanna be without you at the party

So easily forgotten, the most important thing  
Is that I love you - I do  
And I want to spend my days and nights  
Walking through this crazy world with you

Life is beautiful, life is wonderous  
Every star above shining just for us  
Life is beautiful, on a stormy night  
Somewhere in the world the sun is shining bright

So easily forgotten, the most important thing  
Is that I love you - I do  
And I want to spend my days and nights  
Walking through this crazy world with you

Life is beautiful, life is wonderous  
Every star above shining just for us  
Life is beautiful, on a stormy night  
Somewhere in the world the sun is shining bright  
Shining Bright
